“ Gladys was a beautiful and loving person. If her warm smile didn't touch your heart, her big hugs would most definitely make you melt. I don't think that she ever met a stranger. The world has lost an incredible soul. When I married her nephew, he took me to meet his Uncle Skip and Aunt Gladys. She was a lot like my own mother-in-law. She was welcoming, warm, thoughtful and truly cared about you. It was as if she'd known me my whole life. My grandmother always told me that the greatest thing that you could ever say about someone is that they were kind. Gladys was very kind. I will miss her.
