“ I have such a heavy heart right now hearing the news about Aunt Gloria. She was such a kind person. I have such fond memories of her and Uncle Paul from my childhood, and not only as a child, but also as an adult. She continued to treat myself and all of my family with such love. I always enjoyed hearing her and my mom laugh about the times our family shared together. She had such a wonderful laugh! I was always so close with my cousins and remember getting so excited every time we heard they were coming to visit. I cherish the memories of the times we spent together growing up, and I am deeply saddened for all of you. I also send a prayer to my mom and all of my aunts and uncles as I know all of you are so close and will truly miss your sister. God bless our entire family and know you are in my thoughts.

“ My Aunt Gloria was a special person with a wonderful heart. I have very fond memories of her visiting us in our Flint, Michigan home when I was young. She and Uncle Paul would bring a big bag of candies and nuts from the candy company Uncle Paul worked at. She treated my sisters and I like we were her children. She always had sweet things to say about everyone. She will truly be missed. God bless all of her family.

I have wonderful memories of Gloria. I have never personally heard a negative word spoken against her. In many ways she and Sandra were the link between our families. She had and has a great testimony. Sad to hear she passed. Happy to know she lives in His presence.
