Hazel worked with her husband to minister at many churches including Church of The Nazarene in Athens and Princeton, Silver Springs and many other community churches in the area.

In addition to her parents she was preceded in death by her husband, Rev. Roy L. Saunders; two sisters, Virginia Mae Pritchett and Flora Lee Harvey; and three brothers, Edward Earl Testerman, Oakey Lee Testerman and infant Freddie Testerman.

“ Butch, Sonya, Tillie,

Sorry this is such a late posting. I only recently learned of your mom's passing. I remember her and your father very warmly from my years growing up with them as neighbors.

“ *A SPUNKY!!! little lady! She was my patient for 7 years. At first she thought she knew more than I did about the best things for her health. Hard to argue with someone who had made it to her late eighties without my help. Early on we both got heated (to put it mildly) over a health issue and when she left the office that day I thought I would never see her again and she would find another Dr. 3 months later she showed up for her appointment on time and everything went fine. As she was getting ready to leave, she said "I have something for you, Dr. Ofsa." I was on my guard and was hoping she wasn't going to pull out a gun from her purse! Instead she pulled out this beautiful pink and green hand crocheted comforter she had made. (I wondered why she had asked me about favorite colors previously. It was too beautiful to not let others enjoy it so we proudly displayed it as a wall hanging in the office for all to see. I took it with me when I left the employ of BRMC. It now is on the bed in the guest room of my home.*

Prayers for family and friends of Hazel. It was a privilege and a pleasure to be her Primary Care Physician for 7 years.

“ To Sonja and the family, we extend our deepest sympathy. You were blessed to have her all these years, but now she's with her Heavenly Father and loved ones who have passed before her. God bless you and touch you....
