“ Princeton Healthcare won't seem the same without this sweet lady sitting at the table with her jigsaw puzzle, always having a smile for everyone. She touched a lot of lives with her beautiful character. RIP dear lady.

“ June was one of the most humble, sweetest people I have ever had the pleasure of knowing. She always had a kind word and smile for everyone. As a kid I used to love going and staying on the mountain at her house. She is one of the few women that I will always look up to and admire. Doe, Ernie, and Janie, you are so blessed to have had her as your Momma! May God wrap you in his arms and carry you through this trial, but be assured there's shouting going on on the other side. I love you all!
