“ *Many years ago in MI Delores and Ken were friends. We have thought of them often and today learned they are no longer with us. We enjoyed fun times together including Thanksgiving dinner. Delores would never eat the stuffing that came out of the Turkey so we had it to ourselves. Loved going in the garden and cutting fresh cabbage where I learned that juice actually comes out of it. Not like the store cabbage you buy. Blessings to their family. Gordon and Babette Maylone*
