“ I've thought of Hilda since her passing. My memory of her goes back 35 years to some of the best Lasagna I've had to date. The lasagna had I believe polish sausage in it. I also remember her little black and white dog bullet all of which added up to a chaotic family and a loving home with Hilda at the center of it all. She was a wonderful mother and wife and missed by all who came in contact with her even after 35 years. She was a sweet and kind person who will be always remembered by me. My love to her wonderful, crazy family.

*I will always remember Hilda. She was a very good person and always seemed to smile. I will always remember that she and Billy were at all three of our children's wedding receptions, and the cakes she made for the receptions and for birthdays in our family were just like her....beautiful. I am so sorry that the past few years were so hard for her and for all of you all. I know she will be missed by all of you and especially Billy. Billy, I love ya....don't get to see you often but ask about you all the time. I pray that The Lord will give you the peace that passes all understanding in the coming days. Our love and prayers to all of you, Carolyn and Danny*
