“ *Jack was truly a kind and gentle soul. I have fond memories of him going back as far as I am able to remember. I never remember him saying a bad word about anyone and "heck to the dickins" was the worst thing that I every heard come out of his mouth. His love for Aunt Omie was unconditional and obvious to anyone who knew him. He was funny, genuine, and (according to Aunt Omie) sometimes frustrating...all an all...a wonderful mix that produced a person that I was blessed to have the opportunity to know. My thoughts and prayers are with each of you during this difficult time. In loving memory - Bes (Button) and all of the children of Georgia (Joe) Hooker Karnes*

“ Jack was the brother-in-law I didn't see often. However I enjoyed all my visits to West Virginia with the large clan of "McKinney Boys" and families. Jack was closest to my age-2 years my junior- but I probably enjoyed Jack the most. He was a true West Virginian and a pleasure to visit with. (Got my first "moonshine from Jack). I" truly miss him
