“ *To the family of James Pennington: Please accept my sincere condolences for your loss. The unscriptural doctrines that are taught concerning death do not leave those who are grieving with comfort or a hope. The response that "God works in mysterious ways" or that "God needed another angel", does not satisfy the spiritual needs of those who are grieving. Nonetheless, many have found comfort in the pages of God's word the Bible (2 Corinthians 1:3, 4). In God's word we find the promise that we can be reunited with our loved ones (John 5:28,29; Acts 24:15). The Bible tells us where this happy reunion will take place (Psalm 37: 11, 29). We are told why we die (Genesis 3:17-19; Romans 5:12), and that the God of the Bible will end death forever (Isaiah 25:8; Revelation 21:3,4).
