“ *Phyllis and Betty, so sorry to hear of your father's passing. I know how much he meant to his family and his community. He was a good friend of my father as well. Maybe they are swapping stories once again. Take care.*

“ *PHYLLIS & BETTY: So sorry to read of Freddie's passing. As one of the Lilly children growing up at Camp Creek, I can remember walking the 2 1/2 miles out to the post office/store to obtain whatever was needed. When we arrived at our destination, it didn't matter if it was Opal or Freddie, you were always treated with kindness and given penny candy in addition to a free drink or an ice cream and we never forgot that kindness. In the later years, we attended, (what we children called) Freddie's church. I know Freddie will be missed here on earth but Our God needed another Angel in Heaven. Keeping you in my prayers. May God hold you in His arms and the palms of his hand, give you comfort and many-many happy memories. Love, Joan Lilly Bowling*

“ We are so sorry to hear of Freddie's passing i know he is whole and fought a good fight. He and my Dad went to school together. He always wanted the church to thrive and he lived to see that. I feel sad for the family left behind but one day we shall be there with him again. Praying for the family. Love Becky Addison and Family

“ So sorry to hear of Freddie's passing. He was a big part of my growing up years. I have a lot of wonderful memories of Opal and Freddie. The store was always a welcoming place for all the community. Freddie was always interested in getting people to church, especially the kids.
My heartfelt sympathy to Phyllis Betty and all the family. I am sure he will be greatly missed by all of you.
