“ Danny and I loved Jerry as a brother. He was something else. He loved his cars and trading. He will be sadly missed. I had grown very close to Jerry this last month while taking care of him. He would always say to me "Polly I'm too much trouble," I had to keep reassuring him he was not. I miss him so much even tho I know he is in God's beautiful world. We Just need to be prepared to meet him up yonder. So sorry Amy for your loss. I love you all very much.
