*Daddy it's almost been 5 years and I swear I miss you today as much as I did the day you died. I remember as a kid I was so scared you would die I always use to tell you "daddy when you die they have to make the coffin big enough for the both of us" I never wanted to go on without you. If you only knew how many times as I was growing up that you loving and always protecting me when I was at your house kept me going and fighting threw the worst part of my child hood. And as an adult daddy your love gave me the courage to keep going even when life was so hard. And now that your gone seeing your face again makes me want to do better so I can make it to heaven to hug you and hear you tell me "babygirl it's going to be alright" daddy I miss you so much and will never stop missing you I will never have the words to explain how much I still need you in my life. Daddy I love you so much maybe even more then before if that's even possible. I LOVE YOU ❤️
❤️❤️😭*

“ Hey daddy..it's daddy's day aging..it's hard dad,the family is falling apart.im glad your not here to witness the things that are going on in not just this world but our family..mom sold your home .I kn it's hers,an she has the right to do what she wants but,it's how she done it..behind everyone else back,sold it to josh.smh..so josh says him an sylina have control of it an when they die it will b Taylors..u kn what's sad.i feel like u would agree with it..u an mom forget all the things the rest of us done for u an her.your other kids don't matter.

Moms gonna have a quiet lonely life.no one gose around.allen An Rick are the only kids.

Myself Brenda an kenny can take no more..

I forgave u for all u did to me in life,but u kn,mom's never admitted anything ever being wrong..never ask for forgiveness.i hope she's made it right with God .that's all that matters cause I never had a real mom or dad an I haven't turned out all bad..my kids have messed up in life but my grandkids are doing great..hope daddy's day is good for u..

I pray all the time that u made things right with God an that your in haven.mabey u can visit mom in her dreams an help her get things right with God.i don't kn.but all I can do is continue to pray..

Your baby girl..wish I would have ment as much to u in the end of your time,but everyone knows u favorites was Rick to..

The sorryiest kid u an mom had..

Never held down a real job..

Was never a husband to Janice not a father to his girls,an nothing but a drunk pot head for his grandkid..he's sad..only God can help that boy..

“ *5 years today daddy..u are missed an though of often..it never gets easier but we learn to keep moving forward..its a struggle dad.so often I still refer to the house as going to mom an dads.you will always be a part of it an a big part of the family..everything changed when God called u away.i cant image what the family will b like when mom joins u in haven.we didnt turn out to b the close family we once was I think it will b hard to hold the 5 of us kids together. I miss u daddy an will until God calls me home.. Keep a watch over me daddy..love you..*
