“ *This still just doesn't seem real. John was a good man. I am thankful I was blessed enough to call him my brother in law. He was good to my sister. He made both her and her daughters very happy. He was and still is loved so much and he will be forever missed.*

“ I've known John ever since the 7th grade and have several fond memories of spending nights over at John and his parent's house when we were kids back in school. Quite a few late nights playing Nintendo and playing guitar which probably drove both George and Betty nuts at 2 am. I'll always remember those great and fun times we had. This is how I choose to remember John Patrick and I'll miss him as the good person he was. Rest in peace John. My condolences also go out to his mom Betty as well his wife Stacy and the rest of his family.

“ Betty, Tina and Me, are so sorry to learn of John's passing. He had his own struggles to face and no one else could penetrate that wall. i will always remember how he loved to come up on the hill and go fishing in my pond. It seemed there was one place he found his inner peace. if you need us in any way, just tell us. We will do anything we can do . God Bless your heart and know so many others care for you particularly at this time of your sorrow. You will have our prayers. Roger & Tina Johnston
