“ *To the family of Ms Hurst,
I truly sympathize with you in the death of your love one. The Bible tell us, there will be a resurrection of the righteous and the unrighteous(acts 24:15). He(Jehovah) will wipe out every tear an death will be know more(rev 21:4). I hope these words will bring some comfort to you.*

Sincerely yours

“ *Bonita, I just found out about your mom this evening and I am so sorry. I had actually had her in my mind the past few days. Joy was like a second mother to me when we were kids. I always thought she was so pretty and so cheerful. I have so many good memories of time spent with you and your parents. They were always so good to me. I remember playing at all three of your houses at Dott, spending the night with each other, getting lost in the woods, the drive-in movies (and Joy's infatuation with Elvis!), going with you all to Daytona Beach, and your mom always looking for matching outfits for us at the company store. I had so much fun growing up at Dott. Joy was truly a special lady and a great mom to you. She will always be in my heart. Praying for you and your family!*

Oh Bonita, this picture of your mother is the way I see her in my mind when I think of her. Her smile was always so warm and true. I am so glad I came to know her. I am really so very very sorry that she has passed but was thankful it was in her sleep. You and the family have many prayers around you.
