“ I got to know Mrs. Culler when I was a caregiver for her a few years ago. She could always make me laugh. We shared a very special time when I was with her, and she became more than a friend. She became family. I will certainly miss her, and I look for the day when I see her in God's glory. Rest peacefully. You are now in the Hands of God. All my love!

“ Juanita was my friend and sister in the Lord. Faithful and trustworthy are the words that come to me when I think of her. She was a faithful saint to the Apostolic church on the hill Lighthouse Tabernacle. She was always there to give you a home cooked meal, piece of cake and a cup of coffee. She left an impression on my heart and will be missed. Love from Jeanne Massaro

“ *I am blessed to have grandma in my life. She showed a strong faith in God and love for people - always looking for a way to help somebody in need. My life's path is a direct result of her and grandpa Blankenship's love, faith, and concern for my faith and success. She was the best cook and fed me many of her delicious recipes, and taught me how to shop for quality bargains. She was a classy lady and I enjoyed driving her to favorite stores and restaurants...I wonder if in heaven she's trying to help Martha plan the wedding feast of the lamb for when we reunite...*

*Words cannot express my love and gratitude for her being in my life.
Love always,

I will always be thankful for this sweet lady. We were neighbors, and she became a second mother figure in my life. She taught me what "real dedication to God meant", she was a true saint. I haven't seen her in years but she will always hold a very special place in my life. RIP My Friend
