“ Mommy I miss you so much. I'm glad you're with God firstly, and secondly with paw paw and granny. You can now hold your babies you were never able to hold before. I'm sure your grand babies are sitting around your feet listening to stories of the family they never got to know. I know as each of the rest of are called, you'll be there waiting, and the first for us to hold. I miss you my sweet mommy, but I'll see you someday soon.

Your Miss Sally Jo Anne

“ *Aunt Judy you will be in my heart forever. You were a second mother to me. I'm so blessed that I had so many fun memories of you. Like family movie nights. The times you and the girls piled up on your bed watching music video's. So many memories. You took a peice of my heat when left. I'm so sad you left us but I at peace with the thought Papa and Granny was there to to see you in heaven. You suffer no more. You are free NIW. I love you forever---
