So happy she was able to live her life doing things she loved most, her children, her grandchildren the ocean, turtles, gardening, her pets. I am so sorry for the entire family. RIP sweet Julie.*

“ Goodbye sweet Julie. I pray you are at peace with your adored mother. You were always so passionate about the people and things that you loved. Your excitement and joy were contagious. I treasure our years of friendship and working together. I cannot imagine the hole you leave in the lives of your family. I hope they will continue to enjoy all of the experiences they have shared with you over the last few years and remember your beautiful smile with joy. Keep a watch from heaven on your precious family and your turtles. Love you Julie.
