“ As a former teacher at PSHS, I remember Karen when she was in high school. I always thought she was one of the prettiest and sweetest girls in the whole school. She worked at Kroger with my son, Robbie. When his date backed out at the last minute on the day of the prom, Karen stepped up and went to the prom with him. I have never forgotten that. When I think about her, I will smile because I remember her as being beautiful both inside and out.

“ Our deepest sympathy goes out to Karen's family and friends. At family gatherings she would always play with the boys just like she was one of them. Sometimes we don't understand the "whys" in life but we do have the promise of God's love forever.

*I am heart broken for you to loose your grandfather John on Thursday & now your beautiful mother. Your mom and my grandmother roomed together at the nursing home and I sang at your parents wedding. She was always so proud of you two. Please know you are in my prayers. May God wrap his arms around your hearts and bring you peace until you are all reunited in heaven.*

“ I also attended LPN school with Karen. So very sorry for your loss, especially for her children. She was a nice person. When we set our minds on something, there was no changing mine and no changing hers. Both of us stubborn, back in those days. My thoughts and prayers are with each of you
