“ A fun memory I have with Kathy was the Hammer and Stain project we did for my birthday. It was Golden Girls night, February 2020, before everything shut down for the pandemic. We all painted Golden Girls themed projects and sang the Golden Girls theme song, played trivia and had so much fun. She sat across from me and we giggled the whole time, which is what we always did when we saw each other. Kathy was one of those people you meet and you instantly fall in love with. I thought of her as my own family and love her so much. Any time I would run into her she would give me a big hug and we would talk and talk. They say you choose your family sometimes and I would have chosen her a thousand times. Until we meet again, fly high my friend and thank you for always being so kind to me and making me smile.
