“ Arvin and Dorothy, I am so sorry to learn that you have lost your beautiful daughter. I know nothing I say here will ease your pain but please know that I care and am thinking of you in your loss. Sadly I only met Kimberly once at my grandmother Hattie Walker's funeral. She was a lovely and effervescent young girl. Grandmother enjoyed her so much when you lived in the little house on Grandmother and Grandpaw's property and little Kimmy was a toddler. Grandmother talked about saving the candles from her birthday cake for Kimmy's birthday cake because it was just a couple of weeks later. So many families lived in the little house over the years including me when I was eight years old. That is where we were living when my youngest brother Willard was born. The little house started out as a chicken house. Grandpaw built on to it so he and Grandmother could live in it after their house burned down. They lived there until he could get the burned house rebuilt. I hope these few memories I have of Kimberly that I have shared here with you will somehow bring you a little comfort. May God's love surround you in this difficult time. Sincerely, and with love, Darlene Shorter Roberts
