“ Larry was a Beautiful Soul, I always loved talking with him. Sometimes I would be sitting out on the pier at the beach, my would ring and it was good old Larry checking on me. I loved too hear about what was going on at Home. Larry always talked about home and how he and his brother's were working on Carl's or some other project. He would talk about his kid's and grandchildren, he loves them so much. I am going too miss our call's. But most of all I am going too miss my nephew the most. Love always Uncle Bill
