“ I had the privilege of having Laura in my class at Matoaka. When I think of her as an eighteen year old girl I have such good memories of her. . She was a beautiful girl who was so smart and so friendly. She always had a smile on her face. She has gone much too soon. My heart goes out to her family and all of those whose lives she touched.

She could look at you and smile that beautiful smile of hers and make any situation a little brighter. She will be missed by so many people. I'm so glad she had been saved by our Lord's grace and I know I will see her again one day in Heaven.*
