“ *My heart is still broken. There is not a day that goes by that I don't think about you. I know you has to go. I know you are at peace. I know where you are. It's still hard. I don't have one memory of my life that you aren't a part of. I know I had said goodbye before, but I never thanked you. So, thank you. Thank you for being the person I could always count on. Thank you for always being there. Thank you for being "my dad". I'm so sorry I wasn't there when you needed me. I pray you can forgive me. I pray that you know how much I loved/love you and how much you meant to me. Thank you for being you. No one had a better Papa than me. I miss you so much. When it's my time, I fully expect you to be there to help me on my final journey. Papa, I will always carry you in my heart. I love you. I love you. I love you.*
