“ *Sending prayers and love from our family to yours. We always enjoyed talking with Aunt Wanda on Facebook, and she made me laugh all the time with her funny commentary under our posts as well as messages we would send to each other, remembering our Paw-Paw (her brother Omego) she was a very funny opinionated lady and I'm glad I got to talk with her so often through Facebook and sharing pictures with each other. We are praying for all of your peace and comfort at this very difficult time. She's in the arms of Jesus and with all of her siblings now*❤️
