*I laughed and I cried all through this video. What a beautiful and precious tribute to this wonderful, wonderful man, and his very precious family. This old world could certainly use more great families such as the Coomes family. I love each and every one in this video. I felt so very blessed to have known them and throughout the years spend lots of treasured time with them...As we all grew up together, I truly felt as though I, too, was a part of this family. Lester was such a good man and much loved by everyone. He and Freda are "the best of the very best"! May God bless this sweet family always, and we all thank God for the precious, precious memories!!!! With much love and deepest sympathy to all, Anne and Laverne Lyle and Family*
