“ It was so sad to pick up the paper today and learn of Lettie's passing. She was always one of my favorite people. I was always very appreciative of her spending some quality time with Aunt Mildred. She loved Aunt Mildred as much as anybody could imagine. My wife and I were fortunate enough some enjoyable time with Lettie at the nursing home where she was still full of life. God bless her family and may she rest in peace. Puddin and Gaye McPherson

“ *I am so sorry to hear of Lettie's passing. Lettie was so much fun and just a delight to be around. I had the opportunity (along with my sisters and brother)to visit with Lettie in Feb, 2014 during our visit to Princeton to attend our brother (Tom Compton's) funeral. It broke my heart when we walked into the nursing home to visit with her. She hugged all of us with tears in her eyes. Wearing her Red Hat and the sadness in her heart concerning her sister's health she still managed to laugh and joke with us. I remember the times when she came to Delaware with my Aunt Edith Compton, Cook to visit. My thoughts and prayers are with her family and friends. Always remember and appreciate the time you had with Lettie. God bless all her family and friends. R.I.P, Lettie, love you! Bernice Reed, Bryan, Bear, DE.*
