### MY MOTHER

My mother is a woman like no other. She gave me life, nurtured me, taught me, dressed me, fought for me, held me, kissed me, but most importantly loved me unconditionally.

There are not enough words I can say to describe just how important my mother was to me, and what a powerful influence she continues to be.

Mother, I Love You.

“ *Myles and Michelle, my special memory of Linda was in the late 70's. Jennifer was a baby and Linda came to visit and I was bouncing Jennifer to get her to sleep. She said , we have to get this girl a rocking chair! Within a few days she brought me a beautiful old rocker over to borrow. That was so sweet. I'll always remember what a kind and thoughtful person she was. Our thoughts and prayers are with all of you. Debbie and Danny Hill*
