“ Eddie, I remember talking to you until the early morning hours in Nashville when you decided to ask her to marry you. I was matron of honor at the wedding and she was matron of honor at our wedding. We lost track of each other for a long time. We would briefly meet at various places in the area over the years. She was my lifeline at a time when I needed a special friend. I never forgot her or you . I pray for you and the family that you will be comforted with the memories you have and knowing how very special she was.
