“ Go rest high on that Mountain my sweet friend, You were an angel on earth and now you are one in Heaven. I will miss seeing you and our talks we had but one day we will sit down again never to leave each other again. Your battle is over mine is still going on i can see you shouting on streets of gold walking hand in hand with our God. For now my friend i will say "See you in a little While"

“ Linda had a testimony that can't be surpassed by anyone. Her Lord was first, family second, church third! Her love for everyone was always shining through. Everything she did, no matter where she was, was made better because of her willingness to pitch in and help. It made no difference what it was, she stepped forward in love and put her all into the job at hand never thinking of herself. I'm so sorry for Mike and all the family but she is happy, & out of pain. And if we have accepted Christ as our Savior we have His assurance that we'll see her again! Each of us have fond memories of our time together and as we reflect back on her life we can see her beautiful spirit. This loving beautiful spirit will always be with us. Thank you Linda for being a wonderful friend!
