“ Dear Pam, Kimberly, and Logan: I am so sorry for your loss. You are and will continue to be in my thoughts and prayers. I was so critically ill myself when this all happened that sweet, thoughtful Pam thought it best to not let me know. Isn't that just like her--always thinking of someone else. I just found out today.

“ My deepest and most sincere condolences! I have many fond high school basketball rival memories of Lorie! We had a game against one another at Spanishburg and while the captains met we all hugged, the looks on the faces of the refs was priceless! She and I laughed at that for quite some time. She was such a wonderful lady and great friend! Her beauty was both on the outside and in! May GOD bless you all with strength and comfort through this most difficult time! RIP my friend!

“ Pam Kim and kids, I am so very sorry for your
loss. Lorie was a beautiful woman inside and
out. She loved her kids so much as well as
you both Pam and Kim. Lorie would light up
the room, she had a wonderful sense of humor
and a bubbly personality. I've known Lorie and Kim my entire life.
Lorie loved basket ball and she was good at it too. I've watched her
whoop both women and men. That's who she was! Pam and buck
installed values and principles in both their girls. Lorie and I had
many good times together we had a lot of fun when we would get
together. I loved Lorie! All I had to do was call her up and she was
right there if I ever needed her. I regret not getting to see her
recently. Life's short she will always be in my heart as will her family.
Pam Kim you and her baby's are in my thoughts and prayers. I love
you guys if you need me please don't hesitate to call me, I'm so
sorry you for your loss.

“ Memories where should I begin. Lorie you have always held a special place in my heart from coming over to my house early in the mornings playing all day long. Being best friends from kindergarden to graduation. I never really like sports but I enjoyed every story you told me about your dad and playing basketball. Meeting your babies for the first time. I still remember your face glowing every time you would talk about your kids. I pray God place his hands over them and comfort them.
