“ *Sister Luella was one of the sweetest ladies I every knew. I loved her like she was my own mother. I used to tell her that I could be her son, she would have just had me at 17. I always enjoyed being around her at church and the special dinners, because she was an excellent cook. We would always talk about a biscuit with a slice of tomatoes on it. After she was not able to come to church I always enjoyed visiting her as I could. JoAnn and I will truly miss her along with the rest of her church family. We will see you again someday when the rapture takes place and it might not be long. We pray peace and comfort for the family as I know she will be greatly missed.*

“ Luella will be greatly missed by her Church Family. She was an inspiration to see the strength she mustered to get to church. She came every time the doors were open as long as she was able. I worked with Luella in the pantry at the church for several years, she was not like anyone I ever knew. The Lord was her main concern in life and serving him. My sister Carrie will miss her most of all, she was her best friend. But Luella has advanced to the promise of the kingdom. She will reside with the Lord forevermore. I asked for added strength, comfort, and peace for Regina, Kevin, Keith, and Jeremy. Always keep her memories in your heart.
