“ *Sherry I am so sorry for your loss. I only got to meet Mrs Elmore once but I could easily tell that the two of you loved each other very much. I'm thankful that I was able to meet such an amazing lady. I think it's sweet that my grandmother and Mrs Elmore shared the same birthday.*

She is with Heath and the Father having a precious time with the Lord.

“ I will miss you Lura. You were very close to my family when I was growing up. You were very cheerful and pleasant and overall a great person to everyone. You were a very close sibling to my father Hubert White. I am deeply saddened for the family for I know you will be greatly missed.

Oh Auny Lou Lou what great person you've been, you will be missed by many. I'm sure your in heaven with you ancestors, many hugging you and kissing your cheeks. We will miss you but you are much better off than we are, you suffer no longer. You had a great long life here on earth and it's hard to give up our loved ones, but we will see you one day again.

Aunt Lulu, you are missed so much already. You were a sweet caring person to so many, some of them didn't deserve all your kindness and took it for granted. So many of us wish we could see you one last time to say Good-Bye, but out of spitefulness we are not allowed, you would have wanted your family by your side, I know that. I hope you and Heath are together again, you both will be missed so much. I love you both.
