“ *Connie, I am sorry to hear of the loss of your sweet mother. I have thought of you often through the years. I hold dear to my heart our soft-ball, motor-cycle riding, and beach trip days. Come to think of it, we MAY have been responsible for putting a gray hair or two on Margaret's head! Sending love and prayers your way, dear friend.*

“ Margaret and I started working together at Roberts Beauty Salon many years ago. We have stayed friends ever since. She has been a true friend to me and I could talk to her about anything, she was more like a second mother to me. We shared many laughs and a few tears together, many fun times in Fl., and visiting each other's homes. I am so blessed to have had her in my life, and I will miss her enormously, but my husband and I will have so many wonderful memories of our sweet friend. ❤️

“Margaret and I loved painting. Long after I left the Appalachian Artists, she often visited my studio to discuss a particular painting or Art in general. An admirable lady indeed. Deepest sympathy to her family, especially Norman, who was a classmate at Matoaka High School, class of 1964. RIP.
