Lived to sing Beulah land.and I'm sure she is singing it right now in heaven. always asked how you and family was.even though she couldn't see she knew your voice. “ What an awesome woman. Every year on my birthday - she called me and sang happy birthday. Then she asked about a few people - if they were ok. Her voice was always cheerful and upbeat. When I got home from work - I listened to the answering machine and was pleased with her thoughtfulness and dependability year after year. I admired how well she did in spite of her blindness. So very sorry for your loss.
