“ *Wanted to let you all know how much JoJo will be missed by those of us who knew her. She was a gentle loving person and will be missed by all who knew her. We were blessed to have her as a part of our family for the short time that we did and will never forget her help during the time of our Mother's illness. Jo took care of Mama like she was a baby and we will always remember that. Our thoughts and prayers are with you all during this difficult time.*
