“ I know you do not choose a spouse by who their parents are. But I was a lucky guy to not only fall in love with your daughter, but have had the company of her for the past 48 years. From the very first time I met you and J B, I have always been treated like a part of your family. You and J B where just like a Mom and Dad to me and for that I thank you. Both Scott and Tracy were so luck to have you both as their grandparents, you helped them grow in so many ways. I know Brenda, Scott, Tracy and I loved you very much and you will always live in our memories. After a job well done walking among us may you rest in peace and in joy your eternity in heaven.
