“ *I am so sorry for your tremendous loss. We all want to live & enjoy life with those we love. It's only natural that we yearn to see our dead loved ones again. In harmony with God's original purpose, those resurrected will have the opportunity to live on a paradise earth. (Luke 23:43) This promised future includes perfect health and everlasting life for obedient humans. The Bible says: "The righteous themselves will possess the earth, and they will reside forever upon it." (Psalm 37:29) Until that time may Jehovah God speed his love and comfort to you and your family. If anyone is interested I would love to share with you a Bible based brochure full of hope & comfort from the scriptures. Simply email me at shawnehurd@hotmail.com*
