“ I am at a loss for words at the loss of this kind, helpful man. My dad hired Mark for groundskeeping. They shared a love for old vehicles. Dad was so happy to trust Mark to do a great job on his beloved property. I am sorry that I never met him in person, but talked with him numerous times on the phone. He was so enthusiastic sharing my respect and love for the old home place. I prayed God would spare him and ease his suffering quickly. May God shower peace on his family and friends.
