*The first time I met Marlena we became best friends. We had so many great times together. We lived beside each other, worked together & was constantly together. Then she became my son's aunt. She was like my sister & I truly loved her. My heart is broken that she is gone & I will always remember her. Rest in Peace my dear friend. I love you.

“ I was saddened to learn of Marlena's passing; she was a special lady, who I thought a great deal of, along with Kent. They have been my friends for a number of years, and I already sense a loss, knowing she's no longer with us. I believe one day we will see each other again, though; until that time, I have many memories to fall back on, and will always have to smile, as I remember my friend.

“ Ed, I, and Ed, Jr. want to express our deepest sympathy to our nephew, Kent, Michael, and all members of his and Marlena's family for the loss of Marlena. Marlena was a beautiful person with a smile that could light up a room. She had a really big heart when it came to children. She loved all her babies and children. And, God will now give her a just reward for all the love and time she gave to others. May memories of her be a blessing to you all and give you strength in the days ahead. We love you all very much! Ed, Sr., Rita, and Ed Swinehart, Jr.
