“ *Sheila darling, I am so sorry about Marty's passing. Today finds me out of town with my pastor and his wife; therefore, I am unable to be with you at the services. Please know my thoughts are with you. My prayers will continue for you. No parent should have to bury a child. I wish I could take and share your grief. Please remember you are loved.*

“ Marty and I had Study Hall in the library at MHS. Drove Mrs. Bailey
nuts with our antics. Once she told us we were the only students
she knew that never carried textbooks. She didn't like our leather
jackets much either. We loved her though. Marty once told a student
to shut-up or else when he was being disrespectful to Mrs. Bailey.
Rest in peace old friend.

“ Sheila, Losing a child is very hard to cope with. Our thoughts and prayers are with you at this difficult time. God lends us his child to take care of for him, until it's time to call them back home to him, no matter what age..Even tho we don't understand his will sometimes, we just have to do our grieving and remember all of the good memories.
Love ya

Marty was a very special friend to me. My first puppy love in grade school..Oh the memories we made there. We stood there a few years ago as it was being torn down talking and laughing and being sad to set it go..then we spent 6 years together at Matoaka High and those were the fun years ..I'm sure Marty took secrets with him because we could always tell each other everything. .He was a true friend that I knew I could trust. .May be rest in peace and May God wrap his arms around Shelia and Curtis and give them a very special peace that only he can give..Much love and prayers...
