“ I just wanted you all to know that I will be thinking about you today. I wish I could be there in person to give all of you a hug. Aunt Louise was a wonderful person that has left a legacy in and with each of you. She loved each and every one of you! I know it is hard but you have the hope of seeing her again. Praise the lord that He sent His only son to die for all our sins. He forgave us all. If He can forgive us what a wonderful gift. What peace and comfort. I pray that all of you find that peace today that is what aunt Louise would want. What a blessing, she is in the presence of the Lord! Luv all of you! Carla

“ *My thoughts and prayers are with you at this time. I know what it is like to lose a mother especially at Christmas. My heart breaks for you. Aunt Louise was special to me and always welcomed me with open arms. I know she is with her family now and very happy although you will miss her every day like I miss my mother. My dad has also had his own time remembering times with your Mom and Dad. I have heard my fair share of tales. My dad is full of them. There is a special place in my heart for all of moms sisters and my extended family do far away. All my love, Susan*
