“ Michelle was a neighbor and a friend. Oh my gosh she loved her family so much and treated mine like we were part of hers. I shared moments of greatest grief beside her, months of frustration. And I had the great privilege of being part of the birth of her youngest. Though far in distance from her since this horrible disease attacked her, our God carried my prayers to her. Angel on earth. Glorified and made perfect in Heaven. I will see you again my sweet friend.
