“ I met Nikki at a previous job. She was always so welcoming, caring and kind to me. We sparked an immediate friendship. She had a heart of gold, and made it her priority to help others, while chasing her own dreams. She had transitioned into one of my best friends. Although our time together was short, she left a lasting impression, and I will never forget the friendship and her legacy. Rest In the arms of Jesus, sweet girl. I'll see you when I get there. I love you always!

Dear family,
Nikki gave a friend of mine several horse items and made that young teenager so happy. Then Nikki wanted to sell household items she had in storage. I ended up buying those items. Included was an antique mirror that goes on a dresser. She said the dresser was stored in Lenora. I am willing to give it back to family members if you'd like to keep the dresser and mirror together. Nikki was very polite and well mannered. I am saddened to hear of her passing.
