“ I remember when O.G. bought the neighboring farm! We don't get new neighbors around here very often so we were all very excited! Our excitement grew to a friendship quickly! He was at every gathering including Christmas and Thanksgiving! He especially took up with my Grandpa Gib Williams! They enjoyed the outdoors together and were always working on some project! In 2009 when my Grandpa passed away with cancer he told my Grandma to "tell his good friend O.G. That he would meet him on the other side." I can imagine that's exactly what he did! I'm sure they've found em a suitable farm by now with horses that OG is feeding a bag of Alf-Alfa treats a day! He sure knew how to make em fat or as he called it "healthy." His friends and family will miss him here but I'm sure Heaven is enjoying his arrival! I'm glad our paths crossed OG!!
