“ I am so sorry for your loss. I loved Ray like a father. He always treated me like his own daughter and was always nice to my son. In the 13 years I have known him I only have one regret and that is not coming to visit he and Margaret more often. Jon and I were supposed to see him the day he passed. I think Ray was waiting for him to get there but just couldn't hold on any longer. I will remember him for being funny - he always made me laugh. Some people took his sense of humor as a little gruff, but I thought he was hysterical. Jon is exactly like him. My love to all of you,Angelia
