“ I grew up with Pam and her Family. As a kid her family's yard was the neighborhood hangout place. We enjoyed playing kickball and various games in her parents yard. Pam was older than me and always treated me and my older sister like family. I remember her taking us inside her house and giving us snacks and chewable Flintstone vitamins lol

We were very skinny and she probably thought we needed it. lol I really Her whole family was so good to us! Since I no longer reside in Princeton I hadn't heard about Pam passing away. I hadn't seen any Facebook posts in a while and then read on her Facebook where someone posted that she had passed away. I just wanted to make sure that her family knows how sorry I was to hear about her passing and much I loved Pam even though we didn't ever talk or see each other I have so many awesome know memories of this Precious Lady! To her Mom Margarite if you read this I hope you know what your family meant to our family.

We love you all!!

“ I am so sorry to hear of Pam's passing. She was a special friend, had the best times growing up with her. I still think of all the fun times growing up and roaming the holler. Moving away I miss so much but years later visiting and being in her home. She was still the Pam I knew and grew up with, sweet and kind. Love and Prayers to the family.
