“ *The Angels looked down from Heaven one night,
They searched for miles afar,
Deep within the distance,
They saw a Shining Star.*

*They knew that very instance,
The Star was theirs to gain,
They took you to Heaven,
Forever to remain.*

*Look down on us from Heaven,
Free from hurt and pain,
You'll always be within my heart,
Until we meet again!*

Love, Mary

“ *Pam I will love you and miss you until my last breath. I could write a book with as many memories I have of our friendship and sisterhood we shared. My fondest memories are those staying at your house and Carrie telling us to stop giggling and go to sleep. I'll cherish those memories. I wish we could have got you here for some relaxation like we talked about just 3 short weeks ago. Give your mom a big hug from me as your walking those streets of gold with Jesus. Mason,Ernie,Becky, Loretta.and Heather God bless you all and may God give you the strength to get through your devastating loses. I love you all. You were my second family*
