

Patricia (Pat) Baker Anderson

November 24, 1942 - August 10, 2022

PRINCETON- Patricia (Pat) Baker Anderson, 79, of Princeton died Wednesday, August 10, 2022 after an extended illness. Born November 24, 1942, she was the daughter of the late James Baker and Charlotte Staton Baker.

In addition to her parents, she was preceded in death by brother, Jim Bob Baker and son, Christopher Anderson. She is survived by her husband, Myron Anderson; her son, Robert Anderson and several cousins.

In her early adult years, Pat was a schoolteacher and taught in both Oakvale and Matoaka. She would later join her mother in the family business, Baker Sanitary Supply, where she would succeed her mother in the day-to-day operation of the business until her own retirement. However, throughout her life, faith was at the core of everything she did and how she treated others. Pat was a faithful member of the congregation of First Baptist Church Princeton where she served in various capacities, including church committees, teaching Sunday school classes and leading many Woman's Missionary Union initiatives. She was quick to help others, provide a compassionate ear and offer support.

Pat also cared deeply for her family and was particularly interested in heredity. She had always wanted to trace her lineage back to the American Revolution

and after working diligently to collect familial records and information, she became a member of the Daughters of the American Revolution just prior to her death.

Funeral services will be held at 1:30 pm on Monday, August 15, 2022 at the Bailey-Kirk Funeral Home in Princeton with Pastor Tommy Carpenter officiating. The family will receive friends from 11:00 am until the service hour. Interment will follow at Resthaven Memorial Park in Princeton.

In lieu of flowers, gifts to the Gideon Living Memorial Bible Plan are encouraged. The family would like to express gratitude to Hospice Compassus for the excellent care of Pat.

“ It is with heavy hearts that we must say "farewell" to Patty. Cousin Patty has been in my earliest memories since we are only a year apart in age. The childhood memory that was the most impressive was the care and devotion she had for her brother Jim Bob. That quality continued lifelong with everyone she encountered. Our deepest condolences to Myron and their son Robert on their enormous loss.

“ I will miss my dear Pat, my sister-in-law. She was a devoted Christian and family member. She always reached out when she saw the need and cared so wonderfully and gently for those who crossed her path. I remember coming in to the family through marriage when I was very young and Pat was there to welcome me and guide me. We shared our families as they were growing, we shared the grief of those we lost through the years and we shared our love for the Lord who guided us through all of the years. I will miss her presence, her guidance and her Christian testimony shown in her life and her living. I will miss you forever and will pray to see you see you again. Pam Anderson

“ Myron, on behalf of the Princeton High School Class of 1960. we wish to express our deepest sympathies for the loss of your sweetheart. She was a very special lady. Your and Pat's contributions to our class over the years in being primary organizers and coordinators of our reunions are very much appreciated. I was pleased to learn of Pat's strong faith and participation in the church. She is surely with our Lord and Savior in his heavenly kingdom now, and I look forward to our all being together again. “ I truly loved Pat. She was always so kind to me. One year at our H.S. reunion my handicapped husband had a fall in the hotel room. I ran to Pat to ask for assistance and she got a lot of male classmates to come to the room to help. She is resting in Jesus' arms now. Blessings for her sweet husband Myron and family.

“ *In loving memory of a cousin whose heart was big enough to share with all who knew her - family, friends, Bible students and those in the community who knew her as an educator and a business woman. Although we lived 12 hours apart and therefore couldn't see each other often, we talked about "getting together". Her last words in a phone call with me since her recent hospitalization emphasized the importance of "family". I will remember my cousin, Pat, and the many ways she shared her love for Jesus with everyone.*
