“ *Sending sincere sympathy to Pat's family. She and I graduated from Matoaka HS class of 1968. She definitely was intelligent; she and her friend Betsy were always giggling over their favorite rock stars. I loved watching her type; her fingers flew over the keys. May she rest in eternal peace.*

“ My deepest sympathy to Pat and her family. Pat, you were always kind, efficiently excellent at your job! You were always willing to “show me how to do the “scheduling” when I was pregnant and had to “work the desk”! You never broke your professionalism even when we all were constantly bombarding your desk area to look at the schedule! I will always remember you answering the phone “Surgery, Mrs Riggs Speaking”. Thank you for all you did for ALL of us over the many years! You will be greatly missed! Prayers& thoughts... Donna Beckett RN NP.
