“ *I remember Patty from my childhood. We lived down the hill from them and I have many fond memories of the whole family. Patty would swing on that front porch and sing I'll fly away, used to dance to American Bandstand after school in her living room. Rest in peace sweet lady.*

“ Stanley and Sheila I am sorry for the passing of you mother. She was a special lady. She is now at rest, no more suffering from any form of pain. Remember, you may not touch her tangibly but she will always be with you. God Bless you all.

A Memory to Share:

When I was a very young girl Patty and I used to dance all the time, she could shake a leg and a hip. She would put me on the coffee table and tell me to dance. Patty was always a loving person and showed nothing but kindness to me. RIP my dear friend! <3 <3 <3
