“ *Patty was an awesome person and I will always remember her when we went to Matoaka School! We would walk to Corvins every school day and these two older boys would say bad things to us! Patty warned them to quit being so nasty to us for three days! Well the two boys grabbed us one lunch break and dragged us toward the river under the bridge & Patty told them to let go of us or she would put a hurting on them...The boys laughed at her and threw me down & went after Patty! Now Patty was a little younger than me....I picked up a rock and hit one in his back ..Patty flew into a rage and cut one of the boys and kicked the shit out of the other one!!! Needless to say they never came near myself or Patty any time I can remember of....Patty told the Matoaka cop that she was afraid of them harming me...(her best friend)... Love her heart!!..She was a good person and I think of this often and smile!Gone but not forgotten Patty Stables!*
